

Mocha Java

1 cup strong coffee

2 Tbsp semi-sweet chocolate chips

1 Tbsp sugar

¼ cup half-and-half or light cream

In a small saucepan combine coffee, chocolate chips and sugar. Cook and stir over medium heat for 2-3 minutes until chips are melted and sugar is dissolved. In another saucepan, heat half-and-half until steaming. Pour coffee mixture into a mug. Add half-and-half. Add more sugar if desired. Makes a 12 ounce serving.
