

Monkey Bread

4 7 ½ oz. tubes refrigerated buttermilk biscuits

1 cup sugar

1 tsp cinnamon

1 cup brown sugar

¾ cup margarine

Cut each biscuit into quarters. Mix sugar and cinnamon. Dip biscuit pieces into sugar mixture or shake in a plastic bag. Put pieces in a well-greased angel food or bundt pan. Melt brown sugar and margarine. Do not boil. Pour over pieces in cake pan. Bake at 350 degrees for about 30 minutes. Let cool for 10 minutes, then turn upside down on a plate. Tear off pieces or cut into slices.
