

## Pepperoni and Cheese Balls

1 (11 ounce) can Pillsbury refrigerated crusty French loaf

32 slices pepperoni (thin slices)

8 mozzarella cubes (1" cubes)

Preheat oven to 375 degrees. Unroll dough and cut in half, then cut each piece in half and repeat until you have 8 pieces.

Place 2 slices of pepperoni on the corner of each dough square and then top with the cube of cheese. Then put 2 more pieces of pepperoni on top of the cheese.

Wrap dough around the pepperoni and cheese and be sure to seal all seams well. Place on a lightly greased baking sheet and bake in center of oven for 10 minutes or until dough is golden brown. If desired, brush edges of dough with egg white and water mixture to ensure sealing.
