

Snickerdoodle Mini Muffins

Here is a twist on an old favorite. Instead of a cookie, how about a bite-size muffin!

1 1/2 cup all-purpose flour

1 cup quick-cooking oats, uncooked

3/4 cup sugar, divided

1 Tbsp baking powder

1 cup milk

1 egg, beaten

1/4 cup margarine, softened

1 tsp vanilla extract

1 tsp cinnamon

Combine flour, oats, 1/2 cup sugar and baking powder. Mix well. In a separate bowl, combine milk, egg, margarine and vanilla. Blend well and add to flour mixture. Fill greased mini muffin cups 2/3 full. Mix together cinnamon and remaining sugar. Sprinkle over muffins. Bake at 400 degrees for 12 to 14 minutes. Makes 3 dozen.
