

## ***Spinach Artichoke Dip***

*Bobbi and Gary Podleski served this at our 2007 Christmas Dinner. It was awesome.*

- 1 cup Hellman's Mayo
- 1 cup Parmesan cheese, shredded (not grated)
- 1 box chopped spinach (frozen)
- 1 can 14 ounce artichoke (Reese) chopped
- 1 red bell pepper, chopped
- 16 oz. Mozzarella cheese for topping
- ½ jar minced garlic (California Style Minced Garlic)

Heat oven to 425 or 450 degrees. In a large bowl mix all ingredients except for the Mozzarella. Spread into a 9x13 Pyrex baking dish. Layer the Mozzarella on top in a thin even layer. Bake 35 to 40 minutes. Serve with your favorite taco chips or Triscuit Crackers. The new Triscuit flavors are excellent. This is a winner!
