As Keith says - he wishes you were the one selling his home. Thank you from all of us, Tom & Carol R

Bill, thank you for all your help in selling our mother's house. The M's.

Dear Mr. Hollister, I must write to tell you of the unique, positive experience I encountered when I sold and bought a new home with the invaluable services of Bill Branigan. As I am a single woman embarking upon this challenging effort after living in the same home for 35 years (raising my 4 children there with all the memories this entails!) - I must admit I was nervous to say the least! Bill not only took it upon himself to personally drive me to see many homes, he made sure I was aware of vital features a man would be more naturally inclined to notice and investigate. he called and informed me of every detail as we advanced further into the process. He was always polite, supportive and knowledgeable in every aspect. This experience was made a pleasant adventure instead of a frustrating headache and I really do hope that Hollister Realty is aware of the valuable employee they have with Bill. If there is anything that I can do to help promote Bill in the company, I would be very happy to comply. You can be sure I will always highly recommend him to anyone I know looking for a Realtor - people like him are difficult to find and are a pleasure to work with. Judy M.

Bill, we appreciate all the work you did on the 9 Mile house... especially, the quick sale.

Thanks a million! Kathy and Louie K.

Bill, wanted to make sure you know how much I appreciated all your help and expertise in the selling of my house. Wishes for continued success! Mary Kay Y.

Dear Bill, Thanks for the great job you do and for all you help. The C's
